

**Медиатека** - структурное подразделение, предоставляющее всем участникам образовательного процесса доступ к различным источникам информации во внеурочное время для поиска необходимой им для учебного процесса информации.

В Медиатеке участники образовательного процесса учатся:

- работать с различными носителями информации;
- работать с компьютерными банками данных, справочными и энциклопедическими изданиями;
- создавать и поддерживать школьные WEB-странички, наполняя их новой информацией и приобретая полезный практический опыт работы с новыми информационными технологиями.

Дополнительно к этому учителя имеют возможность:

- получать информацию о педагогической и методической литературе, новых средствах обучения и их использования;
- индивидуально просматривать, оценивать и отбирать информацию, используемую далее во время уроков или во внеурочной деятельности;
- связываться с педагогами других городов, стран и работать над совместными телекоммуникационными проектами.

В медиатеке можно посмотреть различные видеоматериалы, послушать аудиокниги, воспользоваться электронными учебниками или энциклопедиями. Для пользователей медиатеки предоставлена возможность выхода в Интернет.

Одним из направлений деятельности медиатеки является работа Пресс-центра, которым руководит заведующая библиотекой. Учащиеся активно участвуют в подготовке буклетов, объявлений, брошюр и другой печатной продукции об училище, ребята создают электронные презентации и фильмы, ведут фото- и видеолетопись училища. С 2003 г. выходит газета училища «Экспресс».

Медиатека проводит различные фотоконкурсы внутри училища. Юные фотографы Пресс-центра принимают активное участие в краевом конкурсе молодых фотохудожников «Алтай глазами молодежи», призерами которого стали Кузнецов Роман (2007г.) и Артюх Александр (2008 г.).
